MILLERSBURG ITEMS.

Mr. J. P. Auixier last week received a letter from an attorney at Joplin, Mo., informing him that he was one of several heirs to a rich estate, coming to him by his grandfather, Mr. Davis. Mr. Auixier is the son of Mr. L. G. Auixier, once a prominent wholesale dealer at Cincinnati. The estate is valued at \$250,000. Mr. J. P. Auixier, accompanied by his brother, Fred Auixier, left yesterday for Joplin to look after their interests in the estate.

The University of Cincinnati Glee Club and the Mandolin Club, who will appear at the opera house Saturday evening, March 30, are supported by the Musical Association of the college. The association arranges each year an annual tour of ten days during the spring vacation. The membership of the combined clubs is limited to twenty-eight, the 1911-12 club is the best ever sent out by the university. The different sections are well balanced and the voices blend. The details of good part singing are worked out with unusual finish. The programs are constructed into two parts:

Part 1—A classy exhibition of culture, fine singing and good comedy.
Part 2—Scenes depicting college life, college songs, college fun by college men.
The Mandolin Club of ten is an added feature this year, and is under the direction of Mr. W. E. Weigel, '98. The members of this club give cello, violin and cornet solos, which all contribute to the enjoyment of the program. Mr. Morris Lazarus is the baritone soloist this year. He possesses rare qualities as a comedian and impersonator. Mr. B. B. Heuck, the eccentric Dutch comedian, adds spice and variety to the evening's entertainment. Hopf, the German tenor, in a repertoire of songs will surely please all who hear him. Seats on sale at Smith and Waddell's drug store. Prices—children 25 cents; general admission 35 cents, reserved seats 50 cents.

Spring Opening.

Our annual Spring Millinery Opening will be held this season on Wednesday and Thursday, April 3 and 4. We will endeavor to eclipse all our former efforts and show the ladies who want to be well dressed the proper thing in up to the minute headgear. Stunning, mannish effects in walking hats, derbies, trotters and all the new things for street wear. Exclusive styles direct from the Eastern markets in dress hats, the largest stock we have ever shown will be on display. Our new trimmer is from one of the largest wholesale houses in the East and certainly knows her business. She will be glad to assist the ladies in making their selection and suggest new ideas pertaining to the proper thing for each individual type.

THEATRICAL.**"A ROYAL SLAVE" PLEASURES.**

The Elgin, Ill., Daily News of September 23, says of "A Royal Slave," which appears at the Paris Grand tomorrow night:

"Theatre goers of Elgin were treated last night to one of the most powerful melodramas presented in this city during the present season. The play, 'A Royal Slave,' is a Mexican production and with a perfect scenic background and a well balanced cast, proved a rare treat for the large audience present."

Walter Hubbell, who first appeared before an Elgin audience two years ago in the title role of the same play, again appeared as Aguila, the royal slave, and interpreted his part perfectly. He was given encore after encore by his auditors.

Lester R. Calvin, playing the part of an American newspaper correspondent in Mexico, is deserving of special notice, his imitations and songs being especially pleasing. George Fitch and Miss Irene Solomon added color to the performance by their finished acting.

The play was remarkably well staged and the costumes worn by the actors and actresses of costly texture. The fourth act is one of the most forceful scenic effects ever presented in the Elgin opera house and Mr. Hubbell was much applauded during the entire scene."

A special feature of the production is "The American Chanticleer Girl." Prices 25, 35, 50 and 75 cents. Seats on sale at Mitchell and Blakemore's.

Maccabees Initiate Big Class.

The Paris Tent No. 48 Maccabees of the world, initiated a class of twenty-nine members into the secrets of the order last night. The degree team of the Lexington lodge composed of twenty-five men came over on a special interurban car arriving here at 7:30 o'clock, and put on the work in the three degrees in grand style. They were accompanied by a number of the members of the Lexington lodge.

Mr. M. F. Elkin, State Organizer, has been in the city for several days working up the class, and his efforts were very successful. A special dispensation was secured, with the result that twenty-nine new members were received into the order last night, bringing the total membership of the Paris tent to one hundred and four.

Following the work in the several degrees the members of the local lodge and the visitors repaired to the restaurant of Kid Stout where an elaborate banquet was spread. The following are the new members received into the lodge last night:
